

**RURAL MUNICIPALITY OF GRASSY CREEK NO.78 Policy 2-18**

**Approach Policy**

---

**Purpose:** To establish standards for dealing with Approaches

---

- The development of any approach onto property within the municipality requires the prior approval of Council.
- A complete written request must be completed along with a site sketch and, upon approval, the approach shall be installed to municipal specifications and the installation shall be the responsibility of the landowner.
- During road construction, existing approaches may be altered or moved at the cost of the municipality, provided the landowner submits the request prior to the construction.

Policy adopted May 18, 2018 by resolution 87/18
