

## RURAL MUNICIPALITY OF GRASSY CREEK NO.78 Policy 2-19

### **Sign Policy**

---

**Purpose:** To establish standards for dealing with Signs

---

- Ratepayers may erect signs within the municipal road allowance at the entrance to their yardsite indicating that children are playing (effectively slowing traffic entering their yard).
- The sign is to be erected within the same sign location distances and regulations as all municipal signs.
- Each ratepayer indicating their desire to erect a sign must receive approval from the municipality
- The sign, all erection costs as well as maintenance costs to be covered by the ratepayer.
